

Nashua Strong Towns

General meeting #2

(slides/meeting notes will be available online at <https://www.nashuastrongtowns.org/blog/>)

Nashua River Fest

First public event!

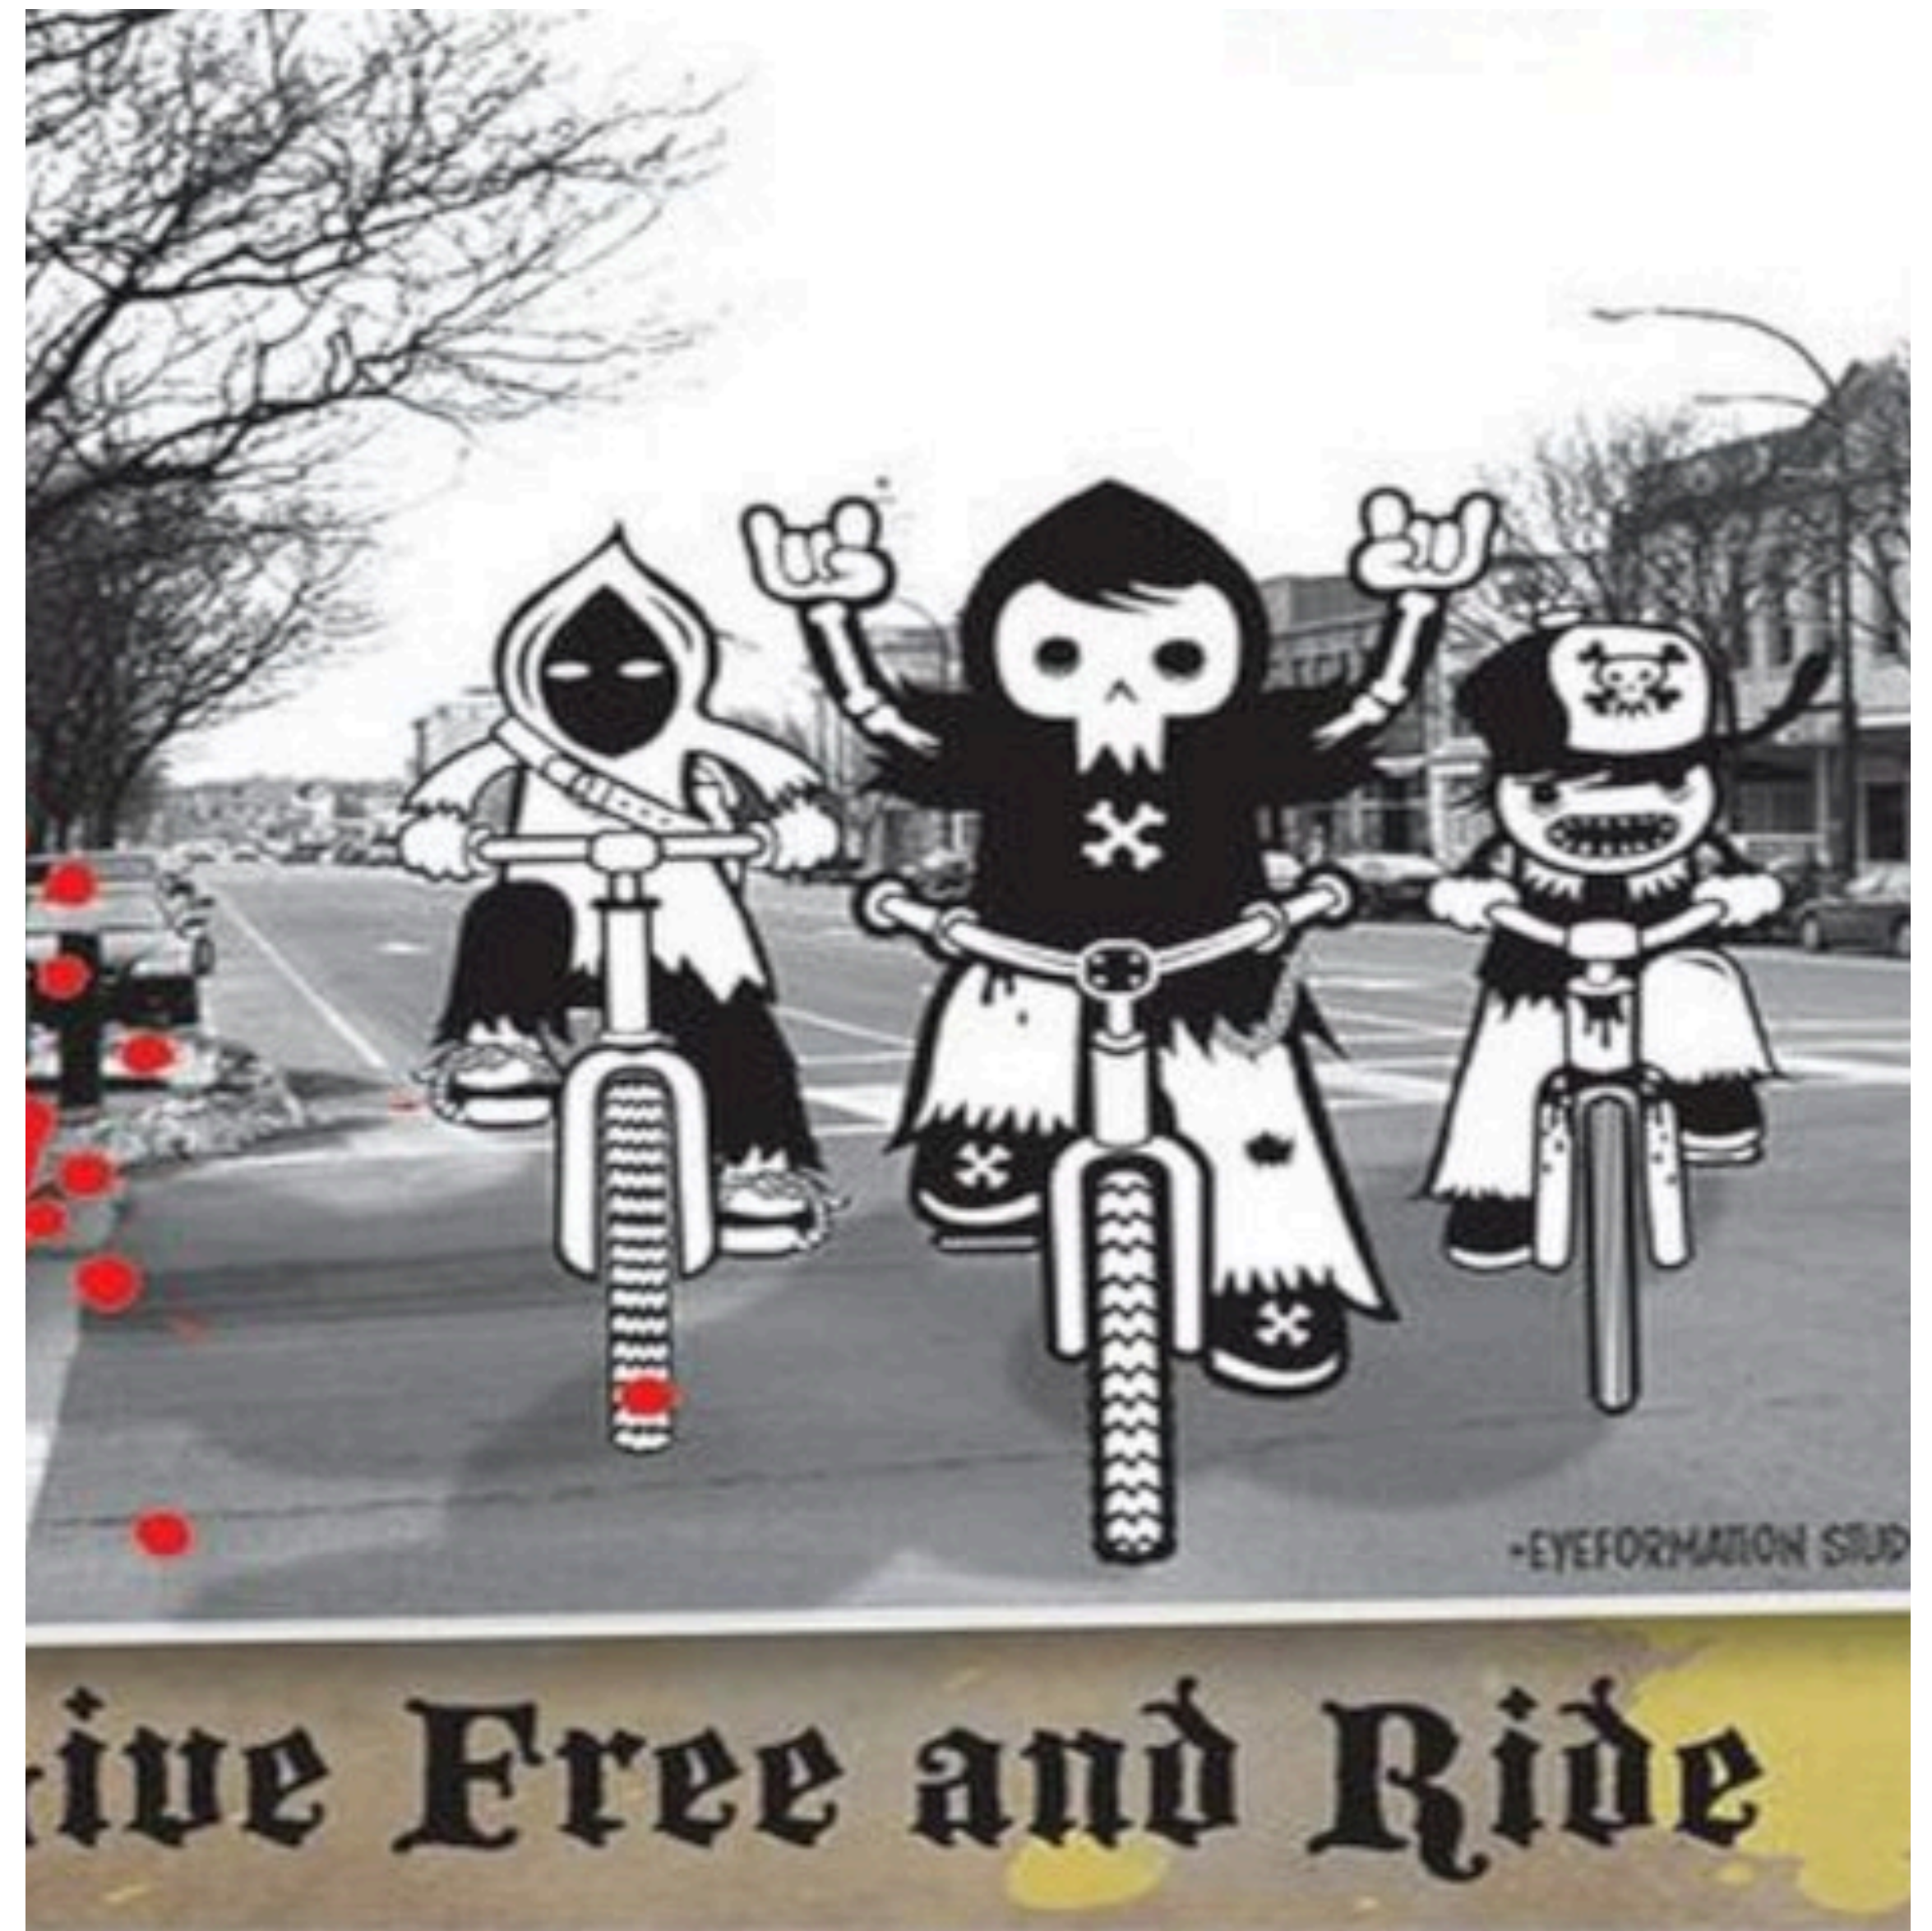

- Thanks to all the folks who could make it
- Had a great time chatting with everyone there
- Looking forward to more public events in the future

Upcoming events

- Halloween bike ride tomorrow (Oct. 28th)
- Holiday Stroll/Holiday roll - in planning

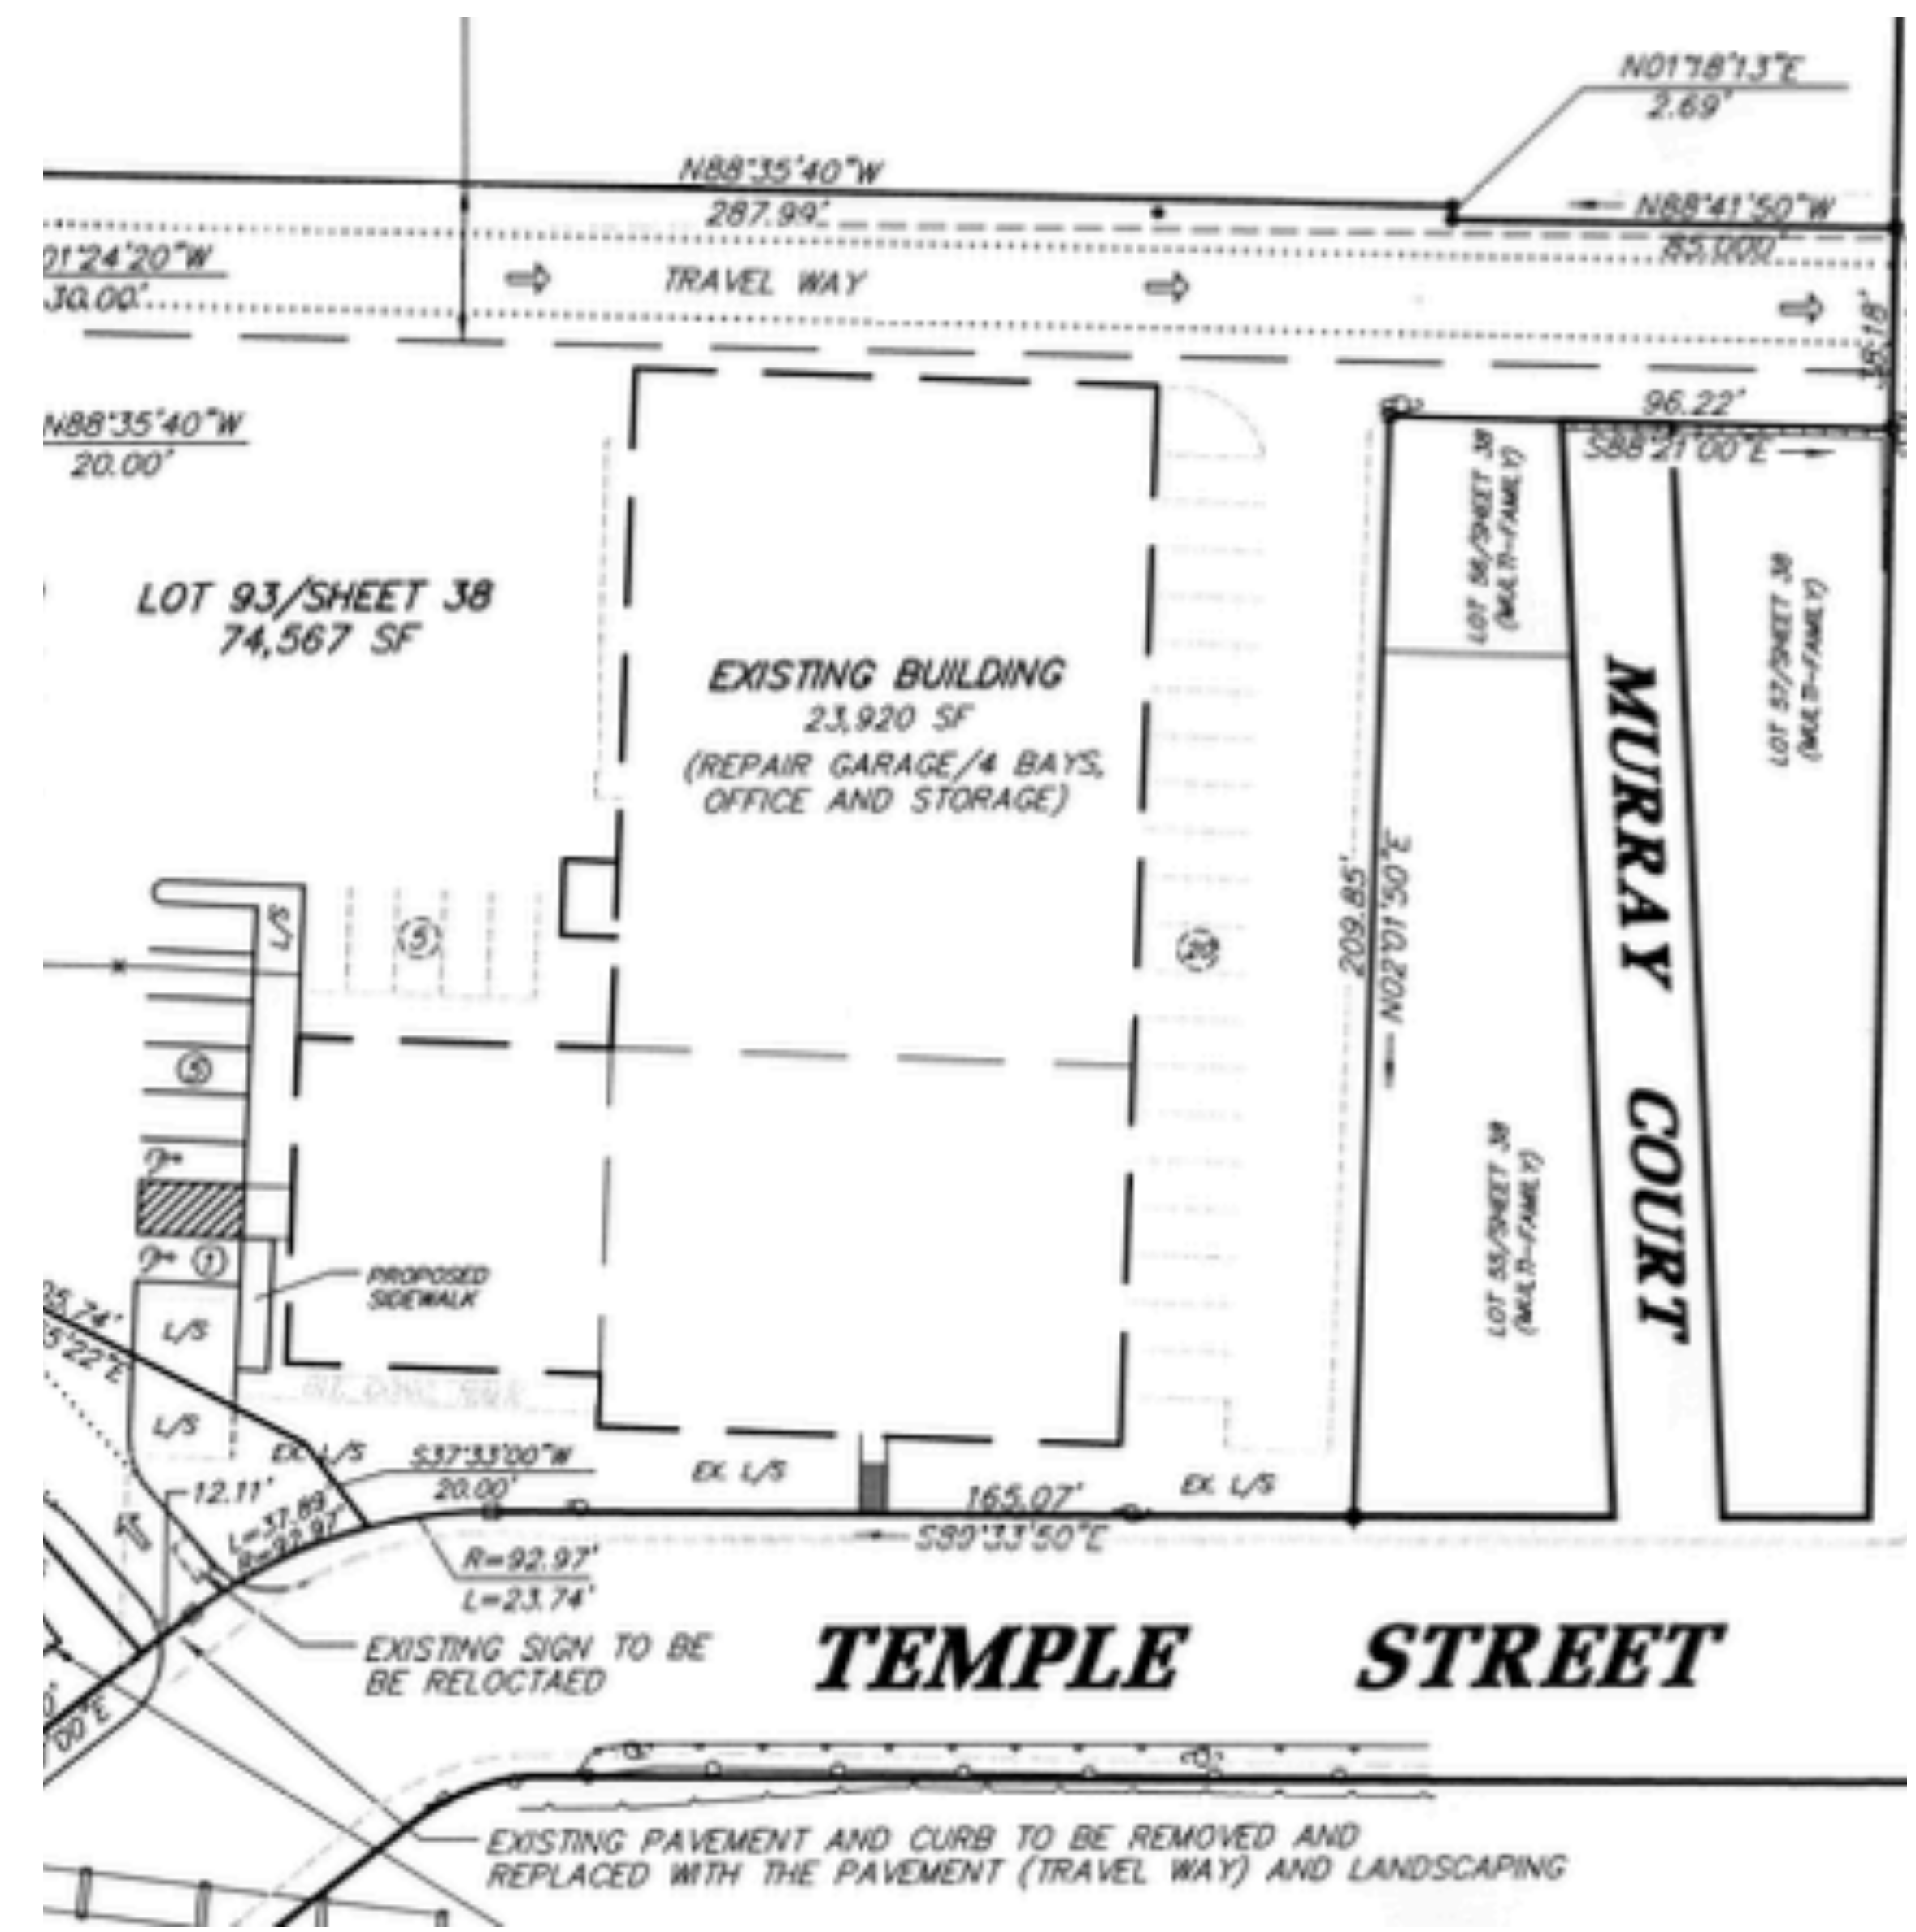

Temple St. asphalt plant hearings

Coming up soon (November 3 - 6:30)

Asphalt plant (Nov. 3)

Temple St.

- Not good for residents
- Not good for promoting walkability
- Certainly won't attract small businesses nearby
- Town discussion docs

Making some change

Short and long term - discussion

Making change - long and short term plans

Strong Town ideology, and a little extra

- “Do the smallest thing you can, and do it today”
- What can we do today?
 - Let’s make lots of quick, incremental change
- How can we plan for tomorrow?
- Provide action items for folks who can’t make it to the meetings

Longer term action items

A little longer, but important

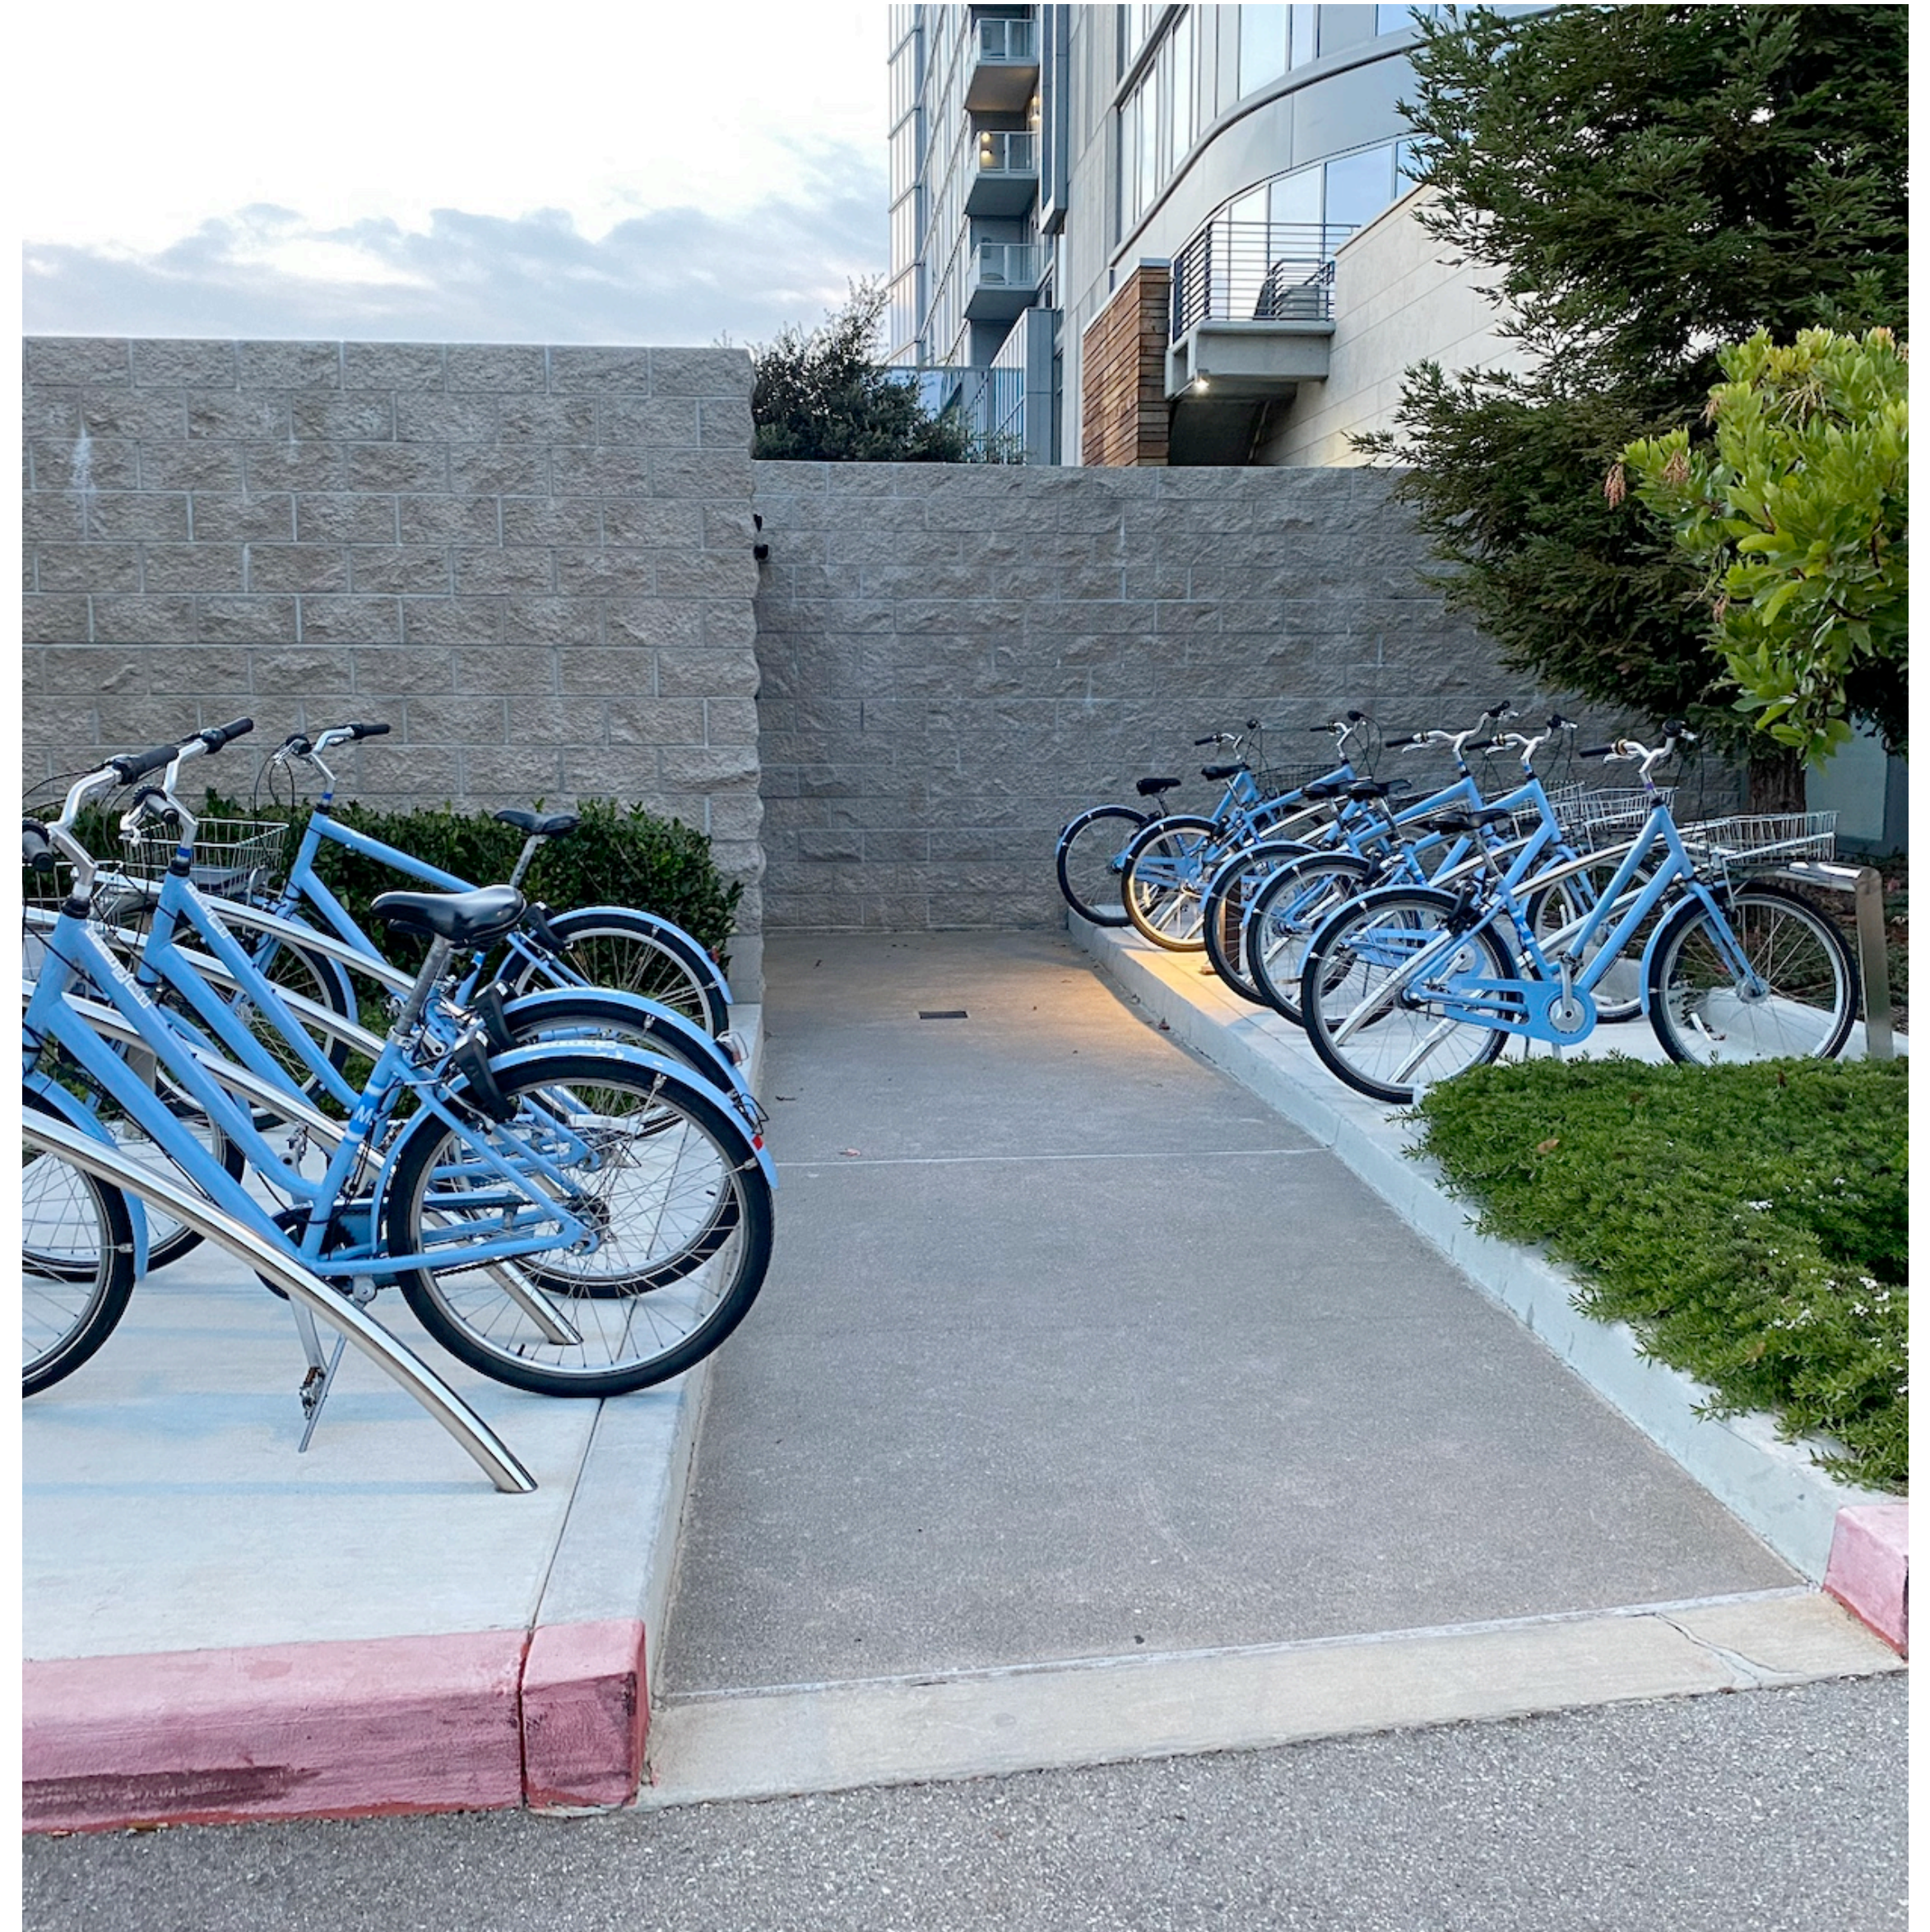

- Rail Trail discussed at last meeting
- Chatted with NTS (Nashua Transit System) Division Director
- Working to make it happen

Short term action items

Quick, smaller wins

- Where could we use more bike racks?
- Where could we have bike gutters to start?
- Places that could have crosswalks?
- <https://www.betterblock.org/>

Handing off to Johnathan
